Wednesday 01 July 2026

<i>Time and Location</i>	<i>Format</i>	<i>Event and Guests</i>
18:00 - 20:00 Ground Fair Damascus	Round Table	<p>PANEL 1: "SYRIA SECURE ENERGY?"</p> <p>The panel highlights the dimensions of the ongoing global conflict and the utilization of energy as a weapon to reshape the region and the world. It underscores the pivotal role Syria will play in this context, given its geographical position as a direct route for supply lines that bypasses the maritime passages around the Arabian Peninsula. The Levant serves as a strategic corridor and a fundamental turning point for redrawing the map of energy flows toward European markets. We must testify to the truth.</p> <p>Addresses by Delegations:</p> <ul style="list-style-type: none"> - Mr. Noury Dweidary (The Arab Chamber of Commerce in Brazil) <p>Speakers</p> <ul style="list-style-type: none"> - Mr. Ibrahim Al-Adhan: Associate Minister (Ministry of Energy) - Eng.
